

■ Domestic Patent
(Japan)

Patent

Patent No. 3955658 Air Shck Gun Unit etc.
Patent No. 4162296
Patent No. 4357989 Super Sonic Tornador etc.
Patent No. 4454077 Brush Gun etc.
Patent No. 4485021 Air Mousse Gun
Patent No. 4495485 Super Sonic Tornador etc.
Patent No. 4673673
Patent No. 4926290 Mechanical Swing Nozzle
Patent No. 5020320 Brushing Cleaner
Patent No. 5504059
Patent No. 5646243 Vortexer etc.
Patent No. 5919011
Patent No. 6080657 Vortexer etc.
Patent No. 6080664
Patent No. 6202951
Patent No. 6559979 Versatile Brush Gun
Patent No. 6596803

Continuous Innovation
Unlimited Imagination

About GA-REW

We have been dedicated to developing unique tools and have obtained multiple patents.

Our products are chosen by various manufacturing companies, including major automotive manufacturers in Japan and overseas.

We strive to develop and research products for saving energy/electricity / human resources, improving quality, and reducing work time.

■ Company Overview

Company Name: GA-REW Co., Ltd.
Head Office Location: 5-1-7 Nishiogi-kita, Suginami-ku, Tokyo, Japan 167-0042
Phone: +81-3-6765-0099
Facsimile: +81-3-6762-0909
CEO: Chinatsu KUBOTA
Date of Establishment: November 1, 2002
Capital: 3,000,000 yen

Air Shock Gun Unit
1997

Air Shock Gun
1998

Sonic Spray Cleaner
1998

Precision Cleaning Brush Gun
1999

General Cleaning Brush Gun
1999

Fine Deburring Brush Gun
2006

Static Electricity Removal Brush Gun
2009

Pen Type Brush Gun
2014

Supersonic Tornado
2004

Air Mousse Gun
2000

Air Mousse Gun
(Weak acidity/alkaline resistant type)
2014

Adjustable Shock Gun
2006

Ultrafine
Water Mist
2007

Brushing Cleaner
2007

Water Swing Nozzle
2015

Blind-hole Cleaner
2018

Mecha Swing Mist
2013

Pin-point Spray Nozzle
2018

Brush Pro-Line Blaster
2019

Mist Type Dust Collector
2017

GR-STORM (Suction type)
2016

Fully Automatic Filter Cleaner
2016

Vortexer
2010

Sonic Cleaner
2010

Water Mist
(Direct-connect to Water Supply)
2008

Sonic Tornado
2008

Tornado Micro Mist
2007

Lens Cleaner
2009

Versatile Brush Gun
2015

Pencil-Type
Static Eliminating Brush Nozzle
2020

Air Blaster Mini
2008

Air Blaster
2004

Mechanical Swing Nozzle
2011

Tornado Vacuum Cleaner
2005

Our History of Invention

- 90% reduction in the air blowing
- CO2 reduction by electricity saving
- Significant decrease in product-defect rates

GA-REW products used worldwide

Norway
Germany
Latvia
Poland
Czech Republic
Hungary
Slovakia

Thailand
Philippines
Vietnam
Malaysia
